**Selection of Private Developer for Development of MSW project facility on BOOT
Basis for Aurangabad Municipal Corporation**

Pre-bid clarifications

Pre-bid meeting held on: 23rd February, 2007 at MPCB Sion, Mumbai

Sr. No.	Query	Response to query
1	Time for submission of bid should be extended by at least 3-4 weeks.	The date of submission for Request of proposal is upto 14.00 hours on 5 th March, 2007 at MPCB, Sion, Mumbai and opening of bid on 5 th March, 2007 at 16.00 hours at MPCB, Sion, Mumbai.
2	Details of site condition and location.	The soil is of hard strata with the water table at a distance of at least 10 ft.
3	Handling, transportation and management of the inert is under who's scope. (i.e. from the compost plant to landfill)	The handling, transportation and management of the inert material i.e. from the treatment plant to the landfill are the responsibility of the Developer.
4	What will be the percentage increase in MSW every year?	The Municipal Body guarantees a minimum assured waste of 300 tons per day. The increase in MSW per year depends upon the population growth.
5	What area shall be provided for the said project?	The required area must be quoted by the bidder. The Municipal Body shall lease the land ("Project Site") required for the Development of the Treatment Project Facility at a nominal lease rental of Re. 1/- per square meter per annum for the Concession Period. For the disposal project facility, the municipal body will provide land for the initial 3 years and later once in every 3 years as per the requirement of the project and as mutually agreed.
6	What is the characterization of waste?	The data on characterization is not available with MPCB. However, the same can be studied and ascertained by the bidder.
7	The waste received at the doorstep will be segregated or mixed?	The waste shall be mixed in nature.
8	Are alternative technologies acceptable?	Alternative technologies may be considered depending upon their technical evaluation and financial

		feasibility.
9	Is it possible to reduce the Performance Guarantee to less than Rs. 2 crores ?	No. The performance guarantee is in direct co-relation with the scale of the project and cannot be changed.
10	In whose name should the Demand draft for bid security be drawn?	The bid security will be payable in the form of Demand Draft drawn in favour of "Deputy Commissioner, Aurangabad Municipal Corporation", payable at Aurangabad.
11	Specify the distance of site from Aurangabad city.	The site is located at a distance of about 10 to 15 Kms. from the city.
12	Clarify whether locations of treatment facility and landfill facility is at the same place or locations.	The treatment facility and landfill facility are located at the same location.
13	Is there any provision for handling waste if quantity is increased in 30 years period of operation and maintenance?	There is no special provision for handling waste if quantity is increased in 30 years period of operation and maintenance.
