### CORRIGENDEM

Sub : Scheme of auto renewal of consents based on self-certification

Ref : Office Order No.6 of 2012 issued vide letter No.MPCB/JD-  
PAMS/Autorenewal/B-654, dtd.30/1/2012.

.....

In continuation of the Office Order No.6 of 2012 issued vide letter dtd.30/1/2012, the following amendment is issued in respect of scheme for auto renewal of consents based on self-certification as per the decision taken in the 4<sup>th</sup> Consent Appraisal Committee Meeting of 2012 held on 25/07/2012 after review of the consents granted under the Auto Renewal Scheme, as under :

The Consent Appraisal Committee in its 4<sup>th</sup> Meeting of 2012 held on 25/07/2012 taken review of consents granted under the auto renewal scheme, which has been made applicable for plain renewal after 01/01/2012. It was observed that in order to promote Auto-Renewal Scheme for expeditious disposal of applications for renewal of consents without substantial change in the consent conditions, further simplified procedure can be adopted, so as to reduce the workload and for speedy disposal of applications for plain renewal of consents. After due deliberations, it was decided to adopt following simplified procedure in Auto-Renewal Scheme :-

- 1) To further simplify auto renewal scheme for Green (Non-polluting) Category industries and Orange (Cleaner Technology Adopted as well as not having pollution potential) units to consider grant of semi-auto renewal on the basis of Self-Certification by the applicant himself.
- 2) In order to further simplify auto-renewal process for other Red & Orange industries having pollution potential, auto-renewal without change in conditions of last valid consent, grant of such renewal, can be considered on the basis of resolution authorizing Authorised-Signatory to submit self-certification submitted.
- 3) A decision was taken to promote a Fast-Track for encouraging renewal system by preparing a check list of points, which may be taken into consideration for speedy disposal of other consent applications without any change in consent conditions such as submission of Environment Statement, Hazardous Waste Manifesto, payment of cess details, Bank Guarantee, Forfeiture of earlier Bank Guarantee and top up without extension of time for compliance of remaining work, disposal as per consent as integral part of processing application.
- 4) To adopt separate & independent procedure for grant of plain renewal of consent/s and that of initiation of different legal actions, though legal action/s and CMS compliance can be examined in CAC separately.

The above procedure shall be adopted and followed w.e.f. 15/09/2012.
