MAHARASHTRA POLLUTION CONTROL BOARD

The Maharashtra Pollution Control Board has been constituted u/s 4 of the Water (Prevention & Control of Pollution) Act, 1974 and shall be deemed to be the State Board for the prevention and control of pollution under the provisions of the Air (Prevention & Control of Pollution) Act, 1981. It is a body corporate having perpetual succession to exercise powers and functions enumerated u/s 17 of the the Water (P & CP) Act, 1974 and Air (P & CP) Act, 1981 respectively. The Board is further entrusted with implementation of the provisions of the Environment (protection) Act, 1986 and Rules made thereunder.

To assist the pollution potential, the MPC Board regularly analyse water samples, air samples and hazardous waste samples in the Central Laboratory and 7 Regional Laboratories.

For creating general awareness amongst the people on environmental issues, it is constant endeavour of the Board to conduct various awareness programmes throughout the State involving Press, Media, NGOs, Artists and Students. Efforts are also being made to create awareness to celebrate almost all festivals in an eco-friendly manner.

As a part of common environmental infrastructure for environmental protection, CETP for treatment & disposal of industrial effluents, Common Facilities for treatment and disposal of hazardous waste and bio-medical waste have been established across State. MPCB has also taken initiative to carry out noise monitoring all over State of Maharashtra.

Functions of the State Board

- (a) To plan a comprehensive program for the prevention, control or abatement of pollution of streams and wells in the State and to secure the execution thereof;
- (b) To advise the State Government on any matter concerning the prevention, control or abatement of water pollution;
- (c) To collect and disseminate information relating to water pollution and the prevention, control or abatement thereof;
- (d) To encourage, conduct and participate in investigations and research relating to problems of water pollution and prevention, control or abatement of water pollution;
- (e) To collaborate with the Central Board in organizing the training of persons engaged in programs relating to prevention, control or abatement of water pollution and to organize mass education programs relating thereto;
- (f) To inspect sewage or trade effluents, works and plants for the treatment of sewage and trade effluents and to review plans, specifications or other data relating to plants set up for the treatment of water, works for the purification thereof and the system for the disposal of sewage or trade effluents or in connection with the grant of any consent as required by this Act;
- (g) To lay down, modify or annual effluent standards for the sewage and trade effluents and for the quality of receiving waters (not being water in an interstate stream) resulting from the discharge of effluents and to classify waters of the State;
- (h) To evolve economical and reliable methods of treatment of sewage and trade effluents, having regard to the peculiar conditions of soils, climate and water resources of different regions and more especially the prevailing flow

- characteristics of water in streams and wells which render it impossible to attain even the minimum degree of dilution;
- (i) To evolve methods of utilization of sewage and suitable trade effluents in agriculture;
 - (j) To evolve efficient method of disposal of sewage and trade effluents on land, as are necessary on account of the predominant conditions of scant stream flows that do not provide for major part of the year the minimum degree of dilution;
 - (k) To lay down standards of treatment of sewage and trade effluents to be discharged into any particular stream taking into account the minimum fair weather dilution available in that stream and the tolerance limits of pollution permissible in the water of the stream, after the discharge of such effluents;
 - (i) To make, vary or revoke any order –
 - (ii) For the prevention, control or abatement of discharge of waste into streams or wells;
 - (iii) Requiring any person concerned to construct new streams for the disposal of sewage and trade effluents or to modify, alter or extend any such existing system or to adopt such remedial measures as are necessary to prevent control or abate water pollution;
 - (l) To lay down effluent standards to be complied with by persons while causing discharge of sewage or sludge or both and to lay down, modify or annual effluent standards for the sewage and the trade effluents;
 - (m) To advise the State Government with respect to the location of any industry the carrying on of which is likely to pollute a stream or well;
 - (n) To perform such other functions as may be described or as may, from time to time be entrusted to it by the Central Board or the State Government;
 - (o) The Board may establish or recognize a laboratory or laboratories to enable the Board to perform its functions under this section efficiently, including the analysis of samples of water from any stream or well or of samples of any sewage or trade effluents.

Under the provisions of Water and Air Acts, an entrepreneur running or establishing any industry or process, an effluent / emitting pollutants into any water resources or on land / air and polluting thereby the environment is required to obtain consent, which needs to be obtained in two phases;

Consent to Establish Procedure:

- Applicant registers on the online website to <http://www.ecmpcb.in/>
- Applicant has to complete a one-time verification at the respective sub regional office
- Once registered, applicant files application online.

Then the application is shown as "Document Pending", 4 compulsory documents need to upload online then the status changes to "Payment Pending". Industry will have to pay the fees online as per fees

- structure <http://www.mpcb.gov.in/consentmgt/waterairact.php#fees>. Industry will have to update the payment details and on approval of application changes to "Payment Approved".

SRO assign the application to Field officer. Once the field officer reviews the application, he/she Push the application through the Integrated Management information system

- (IMIS), the application status changes to "In Process". Field officer scrutinize the application, visit the industry (for establishment and first operate) & put their recommendation / visit report and submit it to Sub Regional Officer.

Now depending upon the category and the Capital Investment of the industry the

- application is forwarded through IMIS as per delegation of power. Refer below link: <http://www.mpcb.gov.in/consentmgt/waterairact.php>

The concerned authority will scrutinize the application, if it is fine then the application is granted in IMIS and then status will be changed to "Approved" on the online portal followed by uploading the signed consent copy. Otherwise if the application is not fine,

- then the application is rejected in IMIS and notify the Entrepreneur by marking the application status as "Rejected". Industry can download the consent copy from online portal.

Consent Letter Procedure for Establishment of Industry:

- Applicant shall first register at the website <http://www.ecmpcb.in/>
- The applicant will undergo complete scrutiny of the application once by the concerned Sub-Regional Office.
- After completing the registration process.
The applicant will submit the application online. Then the message "Document Pending" will appear,
It is necessary to submit the required documents online. Then it says "Charge Pending". Message will appear. As per industry fee structure
- Online <http://www.mpcb.gov.in/consentmgt/waterairact.php#fees>. Pay the fee. Industry should update the fee statement, after approval of the application it will change to "FEE APPROVED".
The Sub-Regional Officer shall submit the application to the Area Officer. Area Officer after scrutinizing the application

- Will introduce "Through Integrated Information Management System". The status of the application will appear as "In Process". The Area Officer will scrutinize the application and visit the industry (for setting up and commissioning the industry) and submit a recommendation/visit report to the Sub-Regional Officer. As per the right conferred by the category of industry and capital investment
- Through the link below, applications will now be submitted to the Delegates as per the authority of the Authority through "Integrated Information Management System" based on the category of industries and capital investment.
<http://www.mpcb.gov.in/consentmgt/waterairact.php>
The concerned authority will scrutinize the application. If the application is properly submitted, the application will be approved "through integrated information management system" and marked as "approved" in the online system and a copy of the signed consent form will be provided.
