## **Review Item No. 01**

**Name of Industry : M/s. Watson Pharma Pvt. Ltd.  
Plot No. N-15, MIDC Addl.  
Ambarnath, Dist. Ratnagiri.**

Industry had applied for Amendment in consent for inclusion of additional stand by Boiler of capacity 4.5 MT, use of Bagasse as alternate fuel, incorporation of Hazardous waste of cat. 28.3, addition of new scrubber and for increase in CI, as per Interim Directions issued on 22.11.2011.

The case was discussed in CAC meeting held on 19.3.2013 and it was decided to grant amendment in consent on following conditions:

1. Industry shall obtain amendment to the EC for activities which are not cover in EC dated 1.8.2007.
2. Not to operate Pilot plant/R&D till EC amendment is obtain. To ensure the compliance of same, industry shall submit the Bank Guarantee of Rs. 10 Lakhs
3. Industry shall submit Board Resolution towards increase in C.I., construction of new R & D facility storage yard and pilot plant without prior permission of the MPC Board by 15.4.2013 and also submit the Bank Guarantee of Rs. 2 Lakhs for compliance of this conditions.

After going through Minutes of Meeting of CAC dtd. 19/03/2013 the industry has made representation. The industry claims that, as per EC dtd. 1<sup>st</sup> August 2007, they have granted permission to manufacture Speciality chemicals and intermediates for 50 MTA, which is nothing but for the small volume / pilot plant products. R & D activity is already included in EC dtd. 1.8.2007. Hence condition no. 1 & 2 above in MOM of CAC dtd. 19.3.2013 shall be waived. The representation made by industry with respect to point no. 1 & 2 seems to be in order. Hence we may consider the industries request. If the request made by the industry is considered by the CAC, then needs to amend the minutes of meeting accordingly.

Submitted for reconsideration of CAC.
