- d. The case was discussed during **CAC meeting held on 23.01.2012** and during the meeting, it was decided to issue SCN for refusal of consent as industry has not replied to letter issued by the SRO on 11.11.2011. SCN issued on 06.02.2012 and industry has submitted the reply on 27.02.2012 & 03.04.2012, wherein mentioned that C.I. mentioned is found reduced to previous year is due to fluctuation of the foreign exchange rate of the assets purchased under foreign loans. They are ready to pay the requisite consent fees. Current year C.I. is Rs. 318.34 Crs. Therefore, **File was referred to CAO** for verification of point no. (a) & (b) and he remarked that C.I. shown in schedule of fixed assets of balance sheet do not match with total gross block of fixed asset shown in CA-certificate.
- e. Further, it was discussed during **CAC meeting held on 16.04.2012** and decided to grant consent after CI verification by CAO.
- f. Accordingly, file was again referred to CAO on 20.04.2012 and he asked to call Balance Sheet from industry to verify Gross Block of Fixed Assets. After verification of CA certificate of Multiple unit, it is reflect that C.I. in fixed assets in particularly building, land and furniture fixture got reduced. Gross block of fixed assets never reduce in value in normal course of business. Hence, said details were called from industry on 27.04.2012 and 03.05.2012, but they have not submitted the reply till date.
- g. Consent may be refused due to non-submission of Balance Sheet details.
