#### ANNEXURE-I

**Minutes of 3<sup>rd</sup> CAC meeting of 2016-2017 held on 08.07.2016 in respect of coal handling by M/s. Mercator Ltd at M/s. Mumbai Port Trust, Port House, Shoorji Vallabhdas Marg, Ballard Estate, Mumbai:**

**Following points are noted by the CAC:**

Board has issued the consent letter for coal handling with stringent conditions to M/s. MbPT vide no. BO/CAC-Cell/EIC-No.MU-14/R(coal)/CAC-509 dtd. 19.10.2015 valid upto 30.10.2017.

Hon'ble High Court of Judicature at Mumbai issued order dtd.17/2/2016 in Writ Petition (Lodg.) No.378/2016 filed by M/s. Mercator Ltd. v/s State of Maharashtra &Ors. During hearing on 17.02.2016, Hon'ble High Court has asked MPCB to consider pending representation of the petitioner, in accordance with law, as expeditiously as possible.

Adv. Dr. Sadhana S. Mahashabde on behalf of M/s. Mercator Ltd submitted request for granting relaxation in terms and conditions No. 2 and 9 as listed in decision of 8<sup>th</sup> CAC meeting dated 09.10.2015.

Further, in compliance of the Hon'ble High Court of Judicature at Mumbai order dtd.17/2/2016 in Writ Petition (Lodg.) No.378/2016 filed by M/s. Mercator Ltd. v/s State of Maharashtra & Ors., an opportunity of personal hearing was extended to M/s. Mercator Limited, a Coal handler at M/s. Mumbai Port Trust (MbPT) on 02.03.2016 before Hon'ble ACS Environment, GoM & Chairperson of M.P.C. Board. Thereafter, Board office was in receipt of the letter/ proposal from M/s. Mercator Ltd. regarding submission of Study report/ plan of Semi Mechanized Closed Conveyor System for Coal Handling at Mumbai Port Trust (MbPT). They have submitted this proposal vide letter dtd. 04.03.2016 with a reference to the Personal Hearing

dtd. 02.03.2016 extended to M/s. Mercator Ltd. before Hon'ble Chairperson of the Board. Thereafter Board has communicated the Minutes of Personal Hearing to M/s. Mercator Ltd. and M/s. MbPT on 17.03.2016.

Further, Board has formed a committee of Experts including NEERI to examine the proposal submitted by M/s. Mercator Ltd. to the Board vide Office order vide BO/AS(T)/TB/B-1441 dated 04.04.2016. Committee visited the site of MbPT on 30.04.2016 and submitted their report wherein they have submitted the site specific and common observations.

Further, M/s. Mercator Ltd submitted Time-Bound proposal for taking "Short Term and Long Term" Measures vide letter dated 02.07.2016. PP has also requested to grant an equal opportunity to them as per the Guidelines issued by the Board vide Circular No. BO/JD(APC)/TB 1/B-3869 dated 04.09.2015 for similar activity, wherein it has been given time limit of 2 years for shifting activity if the plant doesn't comply with the stipulated guidelines.

As earlier, Public Notice was issued by MbPT on 04.09.2015 stating that, "It has been decided that handling of coal at Haji Bunder and Storage plots at Mumbai Port shall be discontinued w.e.f. 31.10.2015". Presently there is no handling of coal by M/s. Mercator Ltd.

### **Decision of the CAC:**

M/s. Mercator Ltd. has submitted concrete time bound proposal for providing Short term and Long term measures for abatement of air pollution. It has initiated Short term measures to ensure that their emissions are not finding its way out side the coal handling area by providing 24 feet height fencing with water sprinkler system.

However for providing Short term measures, it requires some more time as requested by M/s. Mercator Ltd, but in the mean time it will have to obtain necessary permission from MbPT in whose name Consent to Operate has been approved. Similarly, before the Hon'ble High Court Judicature at Mumbai one PIL is pending in which it has tried to intervene. Then the Hon'ble High Court has directed it to file separate writ petition. In the said petition, Hon'ble High Court while disposing off the writ petition bearing no. No.378/2016 directed the MPCB to consider the pending representation of M/s. Mercator Ltd as per provisions of the Law.

Therefore, subject to permission of MbPT and considering Hon'ble High Court Order, M/s. Mercator Ltd. may be allowed to commence Coal handling activity after complying of Short Term measures to ensure that no pollution is caused in the surrounding area. They should complete the long term measures within stipulated time as per their commitment before expiry of Consent to Operate approved by the CAC. Therefore it was decided to communicate in writing to M/s. Mercator Ltd. accordingly. Member Secretary of the MPC Board is authorized to issue appropriate letter in this behalf.

### **Short term Measures:**

1. Industry shall restrict handling of coal at three places only i.e. at Modistone Tyre Plot, S-Plot & J-Plot.
2. Industry shall provide shed to cover the coal blending activity. Remaining area of coal stock yard shall be covered with proper tarpoline cover.
3. Industry shall use only covered trucks & wagons for transportation of coal even locally, so as to avoid spillages and airborne of coal particles.
4. Industry shall provide concreting of road for stretch of about 200 mtr road near Kolisamaj Co-op. Society Ltd., Sewere within 3 months.
5. All entry point, internal roads and loading/ unloading area must be made road worthy for movement of heavy vehicles by using low permeability material (e.g. concrete or bitumen) and be cleaned regularly to minimize potential for dust generation and off-site impact.
6. The wind breaking wall shall be provided to material handling area.
7. A boundary wall/ fencing of at least 3 mtrs height shall be constructed along the periphery of the mineral stock yard to prevent the fine particles from being carried away with surface run off to nearby water bodies.

8. The height of material within storage area must be kept below the height of the boundary wall at all times to prevent the material getting air borne.
9. Industry shall carryout vacuum base dry sweeping of road twice in a day.
10. Industry shall provide dust suppression system i.e. use of Chemical Base (MgCl<sub>2</sub>) Fogger Spray at all locations of storage and handling to minimize air emission.
11. Industry shall provide bund wall/catch pit at coal handling site to arrest oil and coal particulates bearing effluent and not to discharge the same in to the sea.
12. The applicant shall ensure that coal handling activity shall be carried in an environmentally friendly manner, through experienced person who is well versed in taking precautionary measures and also in the field of coal handling, so as to avoid any sort of nuisance in the surrounding area.
13. The applicant should operate and maintain above mentioned air pollution control system, so as to achieve the level of pollutants to achieve National Ambient Air Quality standards prescribed vide Government of India, Notification dt. 16.11.2009 as amended.
14. The Applicant should inform in advance for providing additional control equipment with necessary specifications and operation thereof or alteration or replacement alteration well before its life come to an end or erection of new pollution control equipment.
15. The Board reserves its rights to vary all or any of the condition in the consent, if due to any technological improvement or otherwise such variation (including the change of any control equipment, either in whole or in part is necessary).
16. Applicant shall provide necessary firefighting equipment as well as water storage facility to tackle the fire at coal storage plot.
17. Adequate tree plantation shall be undertaken to minimize impact of air emissions.

**PP shall also implement following long term measures as per given time limit:**

1. Industry shall provide Mechanized Closed Coal Handling Terminal Facility by adopting environmental sound management system before 30.10.2017.
2. Industry shall provide Sensor Based Continuous Ambient Air Quality Monitoring System (CAAQMS) for PM<sub>10</sub>& PM<sub>2.5</sub> parameters before 30.10.2017. Till provision of CAAQMS, applicant shall carry out monitoring of ambient air quality twice in a week for 24 hr basis for PM<sub>10</sub>& PM<sub>2.5</sub> parameters through MoEF approved agency. The results of monitoring shall be communicated to the Regional Officer, MPCB, Mumbai on regular basis.

PP shall submit monthly progress report of provision of long term measures on monthly basis to Regional Officer, MPCB, and Mumbai.
