General Points:

1. All the Healthcare Establishment needs to be informed about latest circular dated 14.03.2017. If any violations, they have to obtain Environmental Clearance from GoI.
2. It is noticed that the action is being initiated against the industry falling under CAC at various levels without notice to CAC cell which create lapses while processing the cases and Committee is not well informed through agenda notes. Hence in future, if any communication is to be made in case of CAC cases, the information shall be submitted to CAC cell so that updated agenda item shall be placed before CAC.
