

Procedure for Authorization for Construction and Demolition Waste Management.

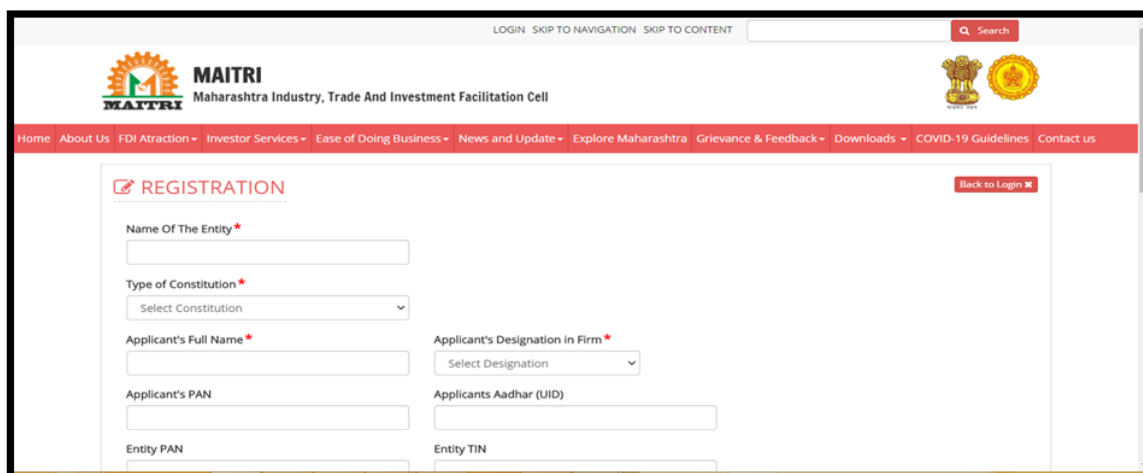

To obtain authorisation for Construction & Demolition Waste Management under Construction & Demolition Waste Management Rules, 2016 from the Maharashtra Pollution Control Board in accordance with the procedure under sub-rule (2) of rule 7:

The operator of the facility as specified in sub- rules (2) of rule 7 shall apply in Form I for authorization from State Pollution Control Board or Pollution Control.

The first step for all the above stakeholders is to create Industry Registration ID with Maharashtra Pollution Control Board through MAITRI (Single Window)

The screenshot shows the MPCB portal interface. At the top, there is a navigation bar with the MPCB logo and the text "महाराष्ट्र प्रदूषण नियंत्रण मंडळ" (Maharashtra Pollution Control Board). Below the navigation bar, there is a confirmation dialog box with the title "Are you sure?". The dialog box contains the following text: "From 7th November 2017 onwards all the new users can avail this service only after one time registration on MAITRI PORTAL. Please confirm the same and you would be redirected to MAITRI portal for one time registration. Once you complete the registration on MAITRI PORTAL you can apply for this service from MAITRI portal or login with your credentials from this portal. For detailed guidelines please download the same from this page above." Below the text, there are two buttons: "No, Keep me on this page" and "Yes, redirect me to MAITRI portal".

The screenshot shows the MAITRI portal registration form. The form is titled "REGISTRATION" and is located on the MAITRI Maharashtra Industry, Trade And Investment Facilitation Cell website. The form contains the following fields:

- Name Of The Entity *
- Type of Constitution * (Select Constitution)
- Applicant's Full Name *
- Applicant's Designation in Firm * (Select Designation)
- Applicant's PAN
- Applicant's Aadhar (UID)
- Entity PAN
- Entity TIN

There is a "Back to Login" button in the top right corner of the form.

The provisions under Construction & Demolition Waste Management Rules, 2016 for Authorization the application form and online portal provided by MPCB are as below:

Construction & Demolition Authorization

The operator of the facility as specified in sub- rules (2) of rule 7 shall apply in Form I for authorization to the concerned State Pollution Control Board accompanied with a copy of the following documents for the grant or renewal of authorisation, namely:-

(a) consent to establish granted by the concerned State Pollution Control Board under the Water (Prevention and Control of Pollution) Act, 1974, (25 of 1974) and the Air (Prevention and Control of Pollution) Act, 1981(21 of 1981);

(b) consent to operate granted by the concerned State Pollution Control Board under the Water (Prevention and Control of Pollution) Act, 1974, (26 of 1974) and the Air (Prevention and Control of Pollution) Act, 1981(21 of 1981);

(c) in case of renewal, a certificate of compliance of effluent and emission standards, treatment as applicable from the concerned State Pollution Control Board or any other agency designated for this purpose:

Provided that an application for renewal of authorisation may be made **three months** before the expiry of such authorisation: Provided further that

On receipt of an application complete in all respects for the authorisation, the State Pollution Control Board may, after such inquiry as it considers necessary, and on being satisfied that the applicant is utilising environmentally sound technologies and possess adequate technical capabilities, requisite facilities and equipment to process C & D waste in compliance to the guidelines specified by Central Pollution Control Board from time to time and through site

inspection, may grant authorisation within a period of **Sixty days*** to such applicants stipulating therein necessary conditions as deemed necessary for carrying out safe operations in the authorised place only, which shall be valid for a period of **five years** subject to such conditions as may be laid down therein.

*(Timeline not defined in C & D waste management rules,2016. Timeline reference taken from Solid waste management rules,2016)

Provided that in the case of an application for renewal of authorisation, the State Pollution Control Board may, before granting such authorisation, satisfy itself that there has been no violation of the conditions specified in the authorisation earlier granted by it and same shall be recorded in the inspection report.

*** Fees not applicable for authorisation**

After logging into the system, applicant shall select the Form-I for authorization as shown below:

Form - 1

Application for obtaining authorisation under Construction & Demolition rules, 2016 See [Rule 7 (2)]

To,
The Member Secretary
Maharashtra Pollution Control Board

* Submit to :

Select SRO

Note : Documents must be uploaded in PDF format and should be less than 2MB.

To be filled in by Applicant

Note : Please fill 'NA' in the required fields if not applicable.

1.Name of Applicant

Name of the local authority or Name of the agency appointed by the municipal authority

<input type="text"/>	Name	<input type="text"/>
<input type="text"/>	Address	Fax
<input type="text"/>	Mobile No.	Email

2.Nodal Officer Details:

<input type="text"/>	Mobile No.	Email.	<input type="text"/>
----------------------	------------	--------	----------------------

Mobile No.

Email.

3. Authorisation applied for (Please tick mark):

- Setting up of Processing
- Setting up of Recycling
- Setting up of Processing & Recycling

4. Detailed proposal of construction and demolition waste processing or recycling facility to include the following:

Location of site approved and allotted by the Competent Authority.

No file chosen

Average quantity (in tons per day) and composition of construction and demolition waste to be handled at the specific site.

Details of construction and demolition waste processing or recycling technology to be used.

No file chosen

Quantity of construction and demolition waste to be processed per day.

Site clearance from Prescribed Authority.

No file chosen

Salient points of agreement between competent authority or local authority and operating agency (attach relevant document).

No file chosen

5. Plan for utilization of recycled product:

Expected amount of process rejects and plan for its disposal (e.g., sanitary landfill for solid waste).

No file chosen

5. Plan for utilization of recycled product:

Expected amount of process rejects and plan for its disposal (e.g., sanitary landfill for solid waste).

No file chosen

Measures to be taken for prevention and control of environmental pollution.

No file chosen

Investment on project and expected returns.

Measures to be taken for safety of workers working in the processing or recycling plant.

No file chosen

Any preventive plan for accident during the collection, transportation and treatment including processing and recycling should be informed to the Competent Authority (Local Authority) or Prescribed Authority.

No file chosen

In case of any discrepancy, MPCB shall communicate the same through the industry documents section, hence applicants are advised to periodically check their Industry Documents section as shown below:

The screenshot shows the MPCB website interface. At the top, there is a header with the MPCB logo and the text 'महाराष्ट्र प्रदूषण नियंत्रण मंडळ'. To the right of the header, there is a navigation menu with the following items: 'Applications | Dashboard | Change Password | Industry Documents | Logout'. The 'Industry Documents' link is highlighted with a red rectangular box. Below the header, there is a section titled 'MPCB Applications' which is divided into two columns. The left column contains links for 'Consent Application' (including application for consent, intimation for white category, and amendment), 'Hazardous Waste Applications' (including authorization, annual return, trader registration, accident report, filing appeal, and manifest), and 'Plastic related applications' (including registration and annual reports). The right column contains links for 'Municipal Solid Waste Applications' (including authorization and annual report), 'E-waste applications' (including authorization, annual return, and authorization for dismantlers/recyclers), and 'Battery applications' (including dealer registration, returns of sale, and returns for recyclers, bulk consumer, and auctioneer).
