	Details :-Water Consumption: 116.0 CMD, Effluent generated 90.0 CMD. STP Proposed of Capacity : 100.0 CMD		
BG Details	Amount :	Validity :	
	BG Obtained against :		
Other Relevant Information	9. PP has applied for <b>consent to Establish for construction of IT park project.</b> 10. The construction project covering total area of around <b>9736.0 Sq. mt</b> with total built up area of <b>33922.31 sq mtrs</b> 11. PP has applied for environment clearance <b>environment clearance</b> From SEIAA on 11/12/2012. 12. Capital investment of the project is <b><u>72.73 Cr.</u></b> 13. Total water consuming <b>116.0 m3/day</b> & generating about <b>90.0 m3/day</b> of sewage, which PP has proposed to provide STP <b>of capacity 100.0 m3/day.</b> 14. PP has proposed to provide organic waste convertor for bio-degradable waste, Non-biodegradable waste send to authorized vender. 15. <b>4 no. of DG</b> sets having capacity of 630.0 KVA each. 16. Proposed site is located <b>more than 500 mtrs from Mutha river (A-II,Class).</b> 17. The site is visited by SRO & field officer and observed that the project proponent has completed construction upto 9 <sup>th</sup> floors 18. After visit of SRO Applicant has submitted undertaking on 100Rs Stamp paper about stopped construction activity. 19. RO, Pune has recommended the decision for grant of consent to establish may be taken at HQ level		

## **Maharashtra Pollution Control Board**

	<p>20. In view of above Applicant has already submitted affidavit we may consider consent to establish with BG for not to take any effective step (10 lakh)+Compliance of consent condition (5Lakh) + BR (2 Lakh).</p> <p>21. The application for consent to establish was discussed in CC meeting held on 12/02/2014, during discussion it was decided to issue SCN for refusal as PP has started construction work without C to E and EC.</p> <p>22. Applicant has submitted reply along with affidavit about not to take any effective step prior to EC and C to E in reply PP stated that we have started construction as per earlier sanction plan now we have stop the construction. Also submitted architect certificate Google plan.</p> <p style="text-align: center;"><b>Resubmission</b></p> <p>23. The case again discussed in CC meeting held on 13/03/2014 during discussion the SRO reported that the distance from Mula river (A-IV) is 0.6 Km to proposed IT Industry site. but the industry has communicated that the distance is 2.05 km as per Google map. Hence it was decided to keep the case in abeyance and putup in next CC after PP submit distance certificate from concern Executive engineer, Irrigation department as per RRZ policy GOM 2009, secondly SRO to examine the class of water whether the location falls in A-II or A-IV class.</p> <p>24. This office has called the clarification from SRO and distance certificate from applicant.</p> <p>25. Applicant has submitted reply and stated that as per A-II class of river the project should be minimum 1000 mtrs from the river, we are more than double of the distance away. As per your requirement we had applied to the irrigation dept for distance certificate.</p> <p>26. Applicant has requested to consider the application with condition of Irrigation department certificate at the time of operates.</p> <p>27. In view of above site located in A-II class of river, we may consider consent to establish with condition applicant shall comply the conditions of RRZ policy 2009. and not to take any effective step prior to EC, and Irrigation department certificate.</p>
<b>Recommendation of SRO/RO</b>	<p>RO, Pune has recommended the decision for grant of consent to establish may be taken at HQ level.</p>
