1. PP has proposed for Residential cum Commercial project at Gat. No. 226, Wadebolhai, Tal – Haveli, Dist-Pune.
2. Total plot area 95,300.0 Sq. Mtrs and total construction built up area 1,30,763.86 Sq. Mtrs.
3. PP has applied for EC to SEIAA,
4. The proposed site is located about 3.5 Km from River Mula-Mutha (A-IV Class).
5. Total water requirement will be 1425 CMD. DE will be 996 CMD & STP of 1000CMD capacity will be provided.
6. The treated DE will be used for flushing & gardening purpose and excess is disposed into drainage line.
7. Total open area available for gardening purpose is 23825.0 Sq. Mtrs.
8. About 4696 Kg/day solid waste is generated. The Bio-degradable waste about 2200 Kg/day is treated by way of composting.
9. Non Biodegradable waste about 1500 Kg/day and STP sludge will be 996 Kg/day is disposed at MSW site.
10. The total estimated cost of the project is 161.61 crores.
11. The site is visited by the field officer on 21.10.2012 and observed that foundation work of two building is completed Show Cause notice issued by this office. Project proponent has submitted reply stating that they have applied for Environmental Clearance and at present construction activities is closed & we will start further construction only after obtaining Environmental Clearance & consent to establish and requested to consider their case.
12. As per discussion & recommendation of CC dated 04.01.2013, SCN for stop work & refusal of consent issued on 05.02.2013.
13. Reply form PP received on 22.02.2013 & requested for stating that they have applied for Environmental Clearance and at present construction activities is closed & we will start further construction only after obtaining Environmental Clearance & consent to establish and requested to consider their case.
14. PP has replied to SCN & reported about stop construction activity & submitted affidavit.
15. Report from RO, Pune is awaited.

In view of above, we may grant of C to E or We may call RO report w.r.t. present status of work.

Agenda no. 21

**Name of the Applicant: Alkem Laboratories Ltd.,
Plot No. C-17/7, MIDC Taloja, Dist- Raigad**

- Application recd at RONM on 24/06/2011
- Application recd at HQ on 26/04/2012.
- Industry is engaged in Research & development activity of pharmaceuticals.
- Applied for renewal with increase in C.I. from Rs. 3.41 Cr. to Rs. 41.59 Crs.
- I.E. 25 CMD, D.E. 90 CMD, ETP provided comprising primary, secondary & Tertiary system. Disposal- Into CETP.
- JVS reports are within limit,
- There is increase in capital investment from Rs. 3.41 Cr. to Rs. 41.59 Crs without obtaining Board's permission.
- Also they have added two new Plot no-C-6/1 &C-6/2.
- SCN was issued dated-8/10/2012 for increase in CI & two new Plot no-C-6/1 &C-6/2 without permission of Board.
- RONM has recommended for grant of renewal of consent with change in water consumption & effluent generation.
- The case was discussed in CC meeting held on 11.01.2013 and it was decided to keep the case in abeyance and meanwhile call the representative of the unit for personal hearing at HOD level. Accordingly personal Hearing was conducted on 21.3.2013 During the hearing industry representative informed that, there is no any expansion of the activity. The CI is increased due to modification and renovation of the manufacturing plant. AS(T) has instructed industry representative to submit the year wise increase in CI, MIDC water bills, HW returns (FORM-4), Env. Statement and clarification of inclusion of additional plot etc. The said information is not yet submitted by the industry.

In view of above, as per the discussion in Personal Hearing industry has not submitted required information. Therefore we may consider the case for refusal of consent & initiate stringent action.

Agenda no. 22

**Name of the Applicant: Apcotex Lattices Ltd.,
Plot no. 3/1, MIDC Taloja, Dist- Raigad**

- Application recd at RONM on 24/05/2012
- Application recd at HQ on 13/09/2012.
- Industry is engaged in mfg of synthetic rubber and lattices.
- Existing unit holding consent up to 31/12/2014.
- Now applied for amendment in consent wrt inclusion of stacks and HW quantities. There is no change in production and waste water generation quantity. Industry has submitted clarification for the same.
- Location attracts RRZ policy.
- The case was discussed in CC meeting dtd. 04.01.2013 and it was decided to keep the case in Abeyance till case is examined in detail with respect to fuel consumption and emission generated.
- Accordingly information is called from industry and from RO/SRO. Reply is received from SRO Taloja. It is seen that consumption of fuel quantity and emission generation is less as compared to consented quantity.

At sr. no. 8 to 12 (NS-7 & 8) are related to increase the pollution load And sr. no. 1 to 7 & 13 are not affects pollution load, which are only inclusion in consent order.
