	<b>TABLE ITEM</b>			
42	<b>M/s. Bharat Petroleum Corporation Ltd.</b> , ATF pipeline project from BPCL Mahul Refinery to HPCL Aviation Station at Santacruz Air Port, Mumbai	1st operate	RO(HQ)	<p>Consent to establish was granted in 2004 with the condition of obtaining EC. Now industry has applied for first consent to operate and has not obtained EC. Industry has submitted the reply that as per EIA notification, 2006 “the Oil &amp; Gas transportation pipeline (crude and refinery/ petrochemical products), passing through national parks/ sanctuaries/ coral/reefs/ecologically sensitive areas including LNG Terminal” attracts EC, and their project pipeline does not pass through any of the above said areas, hence does not requires Environmental Clearance. The same is reported by RO-Mumbai.</p> <p>Hence, as the EIA notification has already superseded all the previous notifications regarding EC, it was decided to grant first consent to operate to the Aviation Turbine Fuel pipeline with the condition that applicant shall comply with the guidelines under MSHIC Rules 1989, as amended to date.</p>

**General Points:**

1. All the consents shall be issued only after obtaining requisite consent fees, as per the G.R. of Env. Dept., GoM for revised consent fees dtd. 25.08.2011.
2. Committee decided to issue directives to ROs and SROs to carry out survey of STPs provided by local body in operation in their respective jurisdiction regarding number of STPs running at full capacity, quantity of effluent generated in respective area, qty of effluent flowing through pipeline and actual pumped to STP and total qty of effluent actually receiving treatment. The said survey shall be undertaken under the co-ordination of I/C. JD(WPC) / RO(HQ) and shall be submitted to Member Secretary within two months.
3. The Consent Committee meeting held on 02.04.2012 shall be considered and read as 1<sup>st</sup> Consent Committee meeting of 2012 instead of 22<sup>nd</sup> consent committee meeting for the convenience of preparing of Statistical Information.

The meeting ended with vote of thanks to the Chair.
