Note:

General Points:

5. RRZ presentation: Annexure-I

Annexure-I

Presentation was given by Shri Deepak Choksi of Bhugol GIS Pvt Ltd, IIT Bombay. It was decided to carry out Phase wise work under guidance of AS(T)

Phase-I:

- 1) Acquire Maharashtra Taluka boundary map of census 2011 and Maharashtra Industrial zone map from MIDC.
- 2) Superimpose Basins and Rivers of Maharashtra over Taluka boundary map and MIDC zones map
- 3) Superimpose Rivers of Maharashtra over Taluka boundary map and MIDC zones map
- 4) Extract Taluka wise Rivers and Basins (355 Taluka * Rivers) and (355 taluka * Basins) and create individual layers.
- 5) Extract Rivers and River Basins passing through MIDC zone (`275 MIDC Zones * River) and (`275 MIDC Zones * Basins) and create individual layer
- 6) Prepare images for each of the layers prepared and print on A1 size paper

Phase-II

- 1) Extract on river basin and mark buffer zone for 1 river basin on pilot basis.
- 2) Mark all the councils, village and industries on river stretch for this basin.
