Textile effluent shall be send to CETP Textile (DBESA) & Chemicals effluent shall be send to CETP Chemical (DCETP)  <b>Regional Officer shall conduct meeting with Executive Engineer of MIDC and submit status within 7 days</b>	1 Month	CETP Textile & CETP Chemical / MIDC
2	Upgradation and advance treatment in CETP to achieve the standard 30 BOD mg/l:-	<b>DBESA and DCETP shall submit status of progress for up-gradation of DBESA CETP (PH-I) and DCETP (Ph-II) The expansion of existing DBESA CETP Capacity—16 MLD to 26 MLD) For 30 mg/l BOD standard. MIDC shall take necessary steps to complete up-gradation work of CETPS on time</b>	7 days	MIDC/ CETP association
3	Mechanism to be developed for	<b>Enhancement in green belt from 33% to 40%.</b>	Coming monsoon	Industry and MIDC

reduction of CEPI score	Regional Officer shall obtain data of land availability at industry. Municipal Corporation submit green cover at MIDC area		
	<b>Encouragement to switchover to clean fuel PNG from existing fuel coal.</b>	1 Months	Industry & MNGL/ MPCB
	Regional Officer shall inventory Coal fired industries and mechanism provided for air pollution control system by the industries	7 days	
	Regional Officer, shall submit case study report regarding cost effective viability in use of clean fuel & its impact in pollution abatement in a week time.	15 days	
	<b>Permissible limit for TPM to be reduced from 150 ppm to 50 ppm.</b>	1 Months	MPCB
	Regional Officer shall issue direction to industry for amendment in stack emission TPS limit 150 ppm to 50 ppm.		
	<b>Zero liquid discharged to be achieved by major polluting units.</b>	6 Months	MPCB & Industry
	Regional Officer shall carryout inventory water consumption for industrial/ domestic purpose and effluent generation for industries located in CEPI area within 7 days.	7 days	
	Conduct meeting with effluent generating industries within 15 to ensure their existing	15 days	

		effluent treatment system achieve 100% reusing tread effluent in process/ ZLD. Issue direction to non-complying industry by imposing ZLD.		
		Action against polluting industries & imposing environmental compensation. <b>(Respective SRO shall ensure recovery of Environmental Compensation)</b>	1 Month	MPCB
4	Action against polluting industries & imposing environmental compensation (EC).	<b>Inspection &amp; monitoring of air polluting industries to assess the compliance status for adequacy of APC system.</b> MPCB to prepare the database of air polluting industries & verify the adequacy of it & submit report.	15 days	MPCB
		Board has issued the directions for EC & 15 days time to be granted for the compliance of it..	15 days	MPCB
5	Pollution control measures in MIDC area	<b>Repair &amp; maintenance of approach &amp; internal roads of industrial area.</b> MIDC & KDMC shall submit status of progress report towards compliance of same  shall submit time bound program for completion of work of remaining road	10 days	MIDC & Local Body (Kalyan Dombivali Municipal Corporation i.e. KDMC)
		Providing STP for domestic effluent of residential colony developed by MIDC. Treated water can be used for gardening. <b>MIDC shall submit status of progress report i.e total effluent</b>	7 days	MIDC

generation/capacity of STP/Final disposal/time period for completion		
To issue direction to MIDC & KDMC regarding environmental compensation of Rs. 50,000/- per day for STP	7 days	RO, Kalyan, MPCB
Laying of closed pipeline for disposal of treated effluent from CETPs up to Creek. Action plan to be submitted within 15 days ( <b>MIDC shall submit status of progress report and action plan towards compliance of same</b> )	7 days	MIDC
Replacement of old drainage pipelines in the MIDC areas as well as regular operation & maintenance of drainage system to prevent the leakages of effluent into nallas. MIDC Shall submit status within 15 days	3 Month	MIDC
To issue directions to MIDC for extension & strengthening of CETP effluent disposal pipeline and also for replacement of old drainage system & proper O&M of drainage pipelines & to submit action plan within 15 days by MIDC.	7 days	MPCB
<b>To provide PNG facility to maximum industries in MIDC Dombivali</b> RO, Kalyan organise a co-ordination meeting of industries, MNGL & MPCB within 15 days. To submit business plan for replacement of PNG as fuel.	15 days	MNGL / MPCB

		To provide proper treatment & disposal facility for sewage & MSW generating in & around Dombivali MIDC. To submit	1 year	MIDC and KDMC
		KDMC shall provide door to door collection of solid waste in MIDC area and ensure there shall not be unscientific storage of solid waste in MIDC area. (Submit action taken report). Industry shall provide dustbin in own premises for collection of solid waste.	15 Days	KDMC & Industry
		Removal of sludge/ plastic/ debris from nallas located in KDMC area (Dombivali).	1 Month	KDMC
		Illegal & unscientific dumping of municipal solid waste by Grampanchayat's in industrial area as well as in residential area	1 Month	KDMC
		Capping of Adharwadi dumping ground in a scientific way within the time bound schedule.	2 Months	KDMC
		Development of scientific municipal solid waste processing and disposal sites within time bound period.	1 year	KDMC
		Removal of debris and solid waste laying in MIDC area.	1 Month	MIDC
		MIDC has to remove the sludge accumulated at sump located in Ph-II.	1 Month	MIDC
		Cleaning and flushing of underground drainage	1 Month	MIDC

		network and removal of sludge time to time. Overflow and leakages of chambers and pipelines to be attended on priority time to time to avoid partially treated effluent discharge in nalla. Removal of sludge / plastic, debris from the nalla located in MIDC area.		
		The occasional leakages from pipeline and overflow from the chamber should be taken to nearby chamber and should not be go to nearby nalla.	1 Month	MIDC
5	Effluent treatment facility at major service station	Service station generating effluent during washing of vehicles. Municipal Corporation shall ensure the compliance made by the major Service stations that they should provide Oil & grease trap, adequate Effluent treatment plant	1 Month	Municipal Corporation

Member Secretary instructed all the stake holders to implement necessary compliance measures for the improvement of situation so as to reduce the CEPI score & to comply with the directions of Hon'ble NGT.

The meeting was ended with vote of thanks to the Chair
