Sub: Providing Technical services to establishing online data connectivity under ETS and Chandrapur inventory Projects-reg.

Sir,

Ascent Informatics to depute an engineer at Chandrapur Regional Office for establishing online data connectivity from CEMS installed at industries under ETS and Chandrapur Inventory Project.

Scope of the work is as below:

M/s. Ascent Engg. will work under the overall guidance of Regional Officer, Chandrapur on 2 projects namely 'ETS roll out' and 'Chndrapur Inventory'. He will perform following tasks

- Communication with industries to give them information of both the projects and explain their role in it
- Coordinate with industries, vendors and Regional Office for data collection of both projects. Resolve any issues in data collection and ensure that more and more industries CEMS are put in to online.
- Obtain ETS forms duly filled from industries.
- Coordinate with industry for installation of ETS Bridge onsite.
- Coordinate with AIPL team for data files submitted by industries for inventory project.
- Any other tasks under guidance from Regional Officer and APC Division at MPCB, Hq, Sion, Mumbai.
- This Work Order is issued initially for the period of 2 months (30days) from 03/12/2013.
- Onsite service Charges of Rs.55,000/- (fifty five thousand only) shall be released on receipt of invoice with certification from Regional Officer, MPCB, Chandrapur.

Yours Faithfully
