Sub: Implementation of Mobile OTP-based Log-In System for Technical Officers to Access IMIS Webportal

With reference to the instructions received from the Member Secretary, Maharashtra Pollution Control Board (MPCB), an OTP-based login system has been developed and implemented for all Technical Officers to access the Integrated Management Information System (IMIS) Web-portal.

This new authentication mechanism has been introduced to ensure a more secure and verified access to the IMIS portal by all MPCB Technical Users. Accordingly, all Field Officers (FO), Sub Regional Officers (SRO), Regional Officers (RO), and Heads of Departments (HoD) will now be required to authenticate their login via a One-Time Password (OTP) sent to their registered mobile number.

In case a mobile number is not yet available in the system, the user will be prompted to enter their mobile number through a one-time mobile verification page. Upon successful verification, the mobile number will be linked to the user's IMIS profile and used for all future login sessions.

Important Instructions:

1. The registered mobile number **cannot be changed/ updated** by any Technical Officer but, they will have to request it to 'Portal Support Help Desk' via email from their **official email ID** to portalsupport@mpcb.gov.in, with their **Reporting Officer marked in CC**.
2. In case any Technical Officer holds **multiple or additional charge** of another IMIS desk, they must inform the same to the 'Portal Support Help Desk' team by email so that their earlier registered mobile number can be linked to the new admin user ID (i.e. their Additional IMIS Desk charge).

All concerned Technical Officers are requested to ensure strict compliance with the above stated instructions and complete the mobile verification process at the earliest to avoid any inconvenience during Log-In.

For any assistance, you may contact the Board's IT Portal Support Team at the above email address.

(Dr. Avinash Dhakne, IAS)
Member Secretary
