Nagpur/Aurangabad/Amaravati/Chandrapur

Sub: Consent to establish / expansion for the explosive manufacturing industries.

Board has already issued instructions for ensuring the environmental compliance at these industries and also carefully processing of consent applications.

It is observed from some applications received for consent to establish / expansion that the requirement of EC has not been examined while processing the consent applications. As per the entry 6 (b) of the schedule of the EIA Notification, 2006, these industries may attract requirement of EC based on the storage quantities compare to the schedule 2 & 3 for MSIHC Rules, 2000.

You are therefore requested to bring this to the notice to concern SRO's and instruct them to take these aspects into account while processing the applications for consent to establish / expansion. In case, the application processing do not include this aspect, the responsibility of any non-compliance will be with the concerned SRO who has processed the application, which may be noted.
