DRAFT INSTRUCTIONS

Sub : Policy for setting of Base station/s / Cellular Sites and installation of the equipments for telecommunication network in State of Maharashtra

Preamble

As telecom service providers with the mandate of the Department of Telecommunications Government of India, the operators are committed to provide coverage, and increase teledensity, in Rural as well as Urban areas. The Government of Maharashtra proposes to lay down a policy that would be clear and useful to industry in this regard. This policy would enable the industry's network expansion and efforts to deepen penetration in rural and remote areas.

Government of Maharashtra after examining the issues and problems faced by the telecom operators and after deliberating on the merits of the same deems it fit to issue this draft policy for filing in objections and suggestions for setting of Telecommunication Cell Site / Base station for provisioning of telecommunication network in State of Maharashtra. The objections/ suggestions may be filed within six weeks from the date of publication of the draft policy.

Applicability

This Policy shall apply to the whole of the State of Maharashtra and shall be implemented by all Municipal Corporations, Municipal Councils, Gram Panchayats and other Local Bodies, empowered to give building permission under the provisions of Maharashtra Regional and Town Planning Act either directly or through the provisions of the Regional Plan.

Definitions :

(1) **"Local Body/Authority"**

"Local Body / Authority" shall mean and include all Municipal Corporations, Municipal Councils, Gram Panchayats, Collectors, and other designated authorities to whom an application for installation of Telecommunication Equipment is made.

(2) **"Telecommunication Cell Site/Base Station"**

"Telecommunication Cell Site/Base Station" shall for each telecom operator mean and include tower of requisite height and dimensions, delta, single pole antennae, microwave antenna, cabin of requisite dimension for housing equipment, telecom transceiver machinery, related civil work, requisite wires and cables, power supply equipment, Diesel Generator Set / alternate power supply mechanism, cabins/cupboard for housing any/all of the aforesaid items as necessary.

Application for Installation of Telecommunication Cell Site/Base Station

1. All applications shall be made to the Local Body by the Telecom Service Provider through a duly authorized Architect who is registered with the Council of Architecture, engaged by the Telecom Service Provider.
2. Documentation : The Application to the local body/ Bodies shall be made along with the following documents :
 - (a) Property owner/lessee/occupant/society agreement.
 - (b) Design Parameters / Necessary Drawing of installation.
 - (c) Structural Safety Stability Certificate of tower from a Licensed Structural Engineer.
 - (d) Appointment Letter of the Architect.
 - (e) Requisite fees by way of Cheque in favour of the Local Body.
 - (f) Proof of Licence from DOT (Department of Telecommunications) along with compliance report of the instructions pertaining to Self Certification regarding the adherence to prescribed Base Stations Emissions.
 - (g) Certificate from the Maharashtra Pollution Control Board regarding compliance with the prescribed norms for noise levels and smoke levels for the power generating sets provided for Base Stations.

THIS POLICY WILL BE APPLICABLE FOR ALL EXISTING/PROPOSED BASE STATIONS INSTALLED OR TO BE INSTALLED.

3. Fees Structure :

Telecom Service Providers shall pay to the Local Body a reasonable one-time, all-inclusive, single fee as processing fee. The said fee shall commensurate with the location of the installation with due regard as to whether the area is classified as Urban / Rural / Agricultural / Non-Agricultural / Forest Area as under :

Sr. No.	Local Body under whose jurisdiction the Telecommunication Equipment / Cell Site is installed.	One-time Fees Payable #
1	Municipal Corporations (except Greater Corporation of Mumbai)	Rs.30,000.00
2	Municipal Councils Class A Class B Class C	Rs.25000.00 Rs.20000.00 Rs.15000.00
3	Gram Panchayat (gaothan)	Rs.10000.00
4	Gram Panchayat (Agricultural land)	Rs.8000.00

This will be over and above Development Charges payable.

Note : Policy ref No. CHE/DP/AWAIT/437 dt. 30.4.2002 of Municipal Corporation of Greater Mumbai will continue for Greater Mumbai.

Other than these fees, no other charges, levies, taxes, non-agriculture fees, Municipal Taxes etc. of any nature should be charged for the Cellular Sites except property taxes for the tower and appurtenant uses.

4. The approvals shall be granted in the same manner prescribed under sections 44 to 47 of Maharashtra Regional and Town Planning Act, 1966.
5. If the Local Body does not give any response to the applications within a period of 60 days from the date of submission, the said application by the Telecom Operators shall be deemed to have been approved as per section 45 of the M.R. & T.P. Act, 1966.
6. The Telecom Operators shall file a fresh Structural Stability Certificate at the end of every three years from the date of first application by the Telecom Operators.
7. No permission for installation of Telecommunication Cell Site / Base Station shall be granted on buildings, which are unauthorised **structurally unsafe**. If permission for installation of such structures are granted on buildings, which may be declared as unauthorised at a later point of time, the Local Authority shall have every right to demolish the said building through the due process of law. While undertaking such a demolition, the Local Authority will not be under any obligation to send prior intimation to the owner of the tower, nor will it be liable for loss of the tower as a consequence of demolition of the unauthorised building. The operators shall indemnify Local Authority to this effect.
8. Notwithstanding anything, Local Authority may require demolition / removal of Telecommunication Cell Site put on such illegal buildings and structures after ISSUING an advance notice of 30 days to the concerned Telecom Service Provider.
9. Any complaint concerning **ILLEGAL USE OR CONSTRUCTION** of the building, location of the tower or other complaints/queries of any nature regarding the installation of telecommunication equipment, the Local Body shall intimate the concerned Telecom Operator of the same with a direction to resolve the matter under intimation to the Local Body.
10. The Licensees shall try to share the towers for fixing their respective antennas provided that the prescribed conditions are duly fulfilled so as to ensure curtailing of multiple towers and optimizing the use of the existing ones.
11. The existing mobile towers **not conforming** to any of the above Regulations, should be removed within two years of these instructions. **However, operation of mobile tower shall be discontinued within a period of twenty four hours from receipt of notice to that effect.**
12. The conditions for DG Sets used for mobile towers shall be as per the provisions under Environment (Protection) Act, 1986 and the Noise Pollution (Regulation and Control) Rules, 2000 as amended from time to time.
