Sub:- Environment Statement regards

In ^{its} the 153rd meeting of the Board held on 29/03/2011 in respect of Environment Statement following policy decision has been taken by the Board. This should be followed strictly while processing the consent application from April, 2011.

1. The Regional Officer/Sub Regional Officers should ensure about submission of latest statement before processing any consent application.
2. All Environment Statement should be accepted along with latest consent copy for comparison of the pollution parameter.
3. Every Regional Office/Sub Regional Office will accept the environment Statement online and discourage the hard copies.
4. From 1st April, 2011 no consent shall be processed without proper certification about Environment Statement from concerned Sub Regional Officer.
5. Commitments about improvement in pollution control technologies submitted through Environment Statement should be imposed as one of the consent conditions while granting consent to the industries on the lines of CREP conditions.

Please communicate this policy decision to the concerned Sub Regional Officer also.

For any queries please contact undersigned.
