### CIRCULAR

No.MPCB/PCI-III/B- 5481

Date: 10/10/07

To  
The Regional Officer  
Mumbai/Navi Mumbai/Thane/Kalyan/Raigad/Nashik/Pune/  
Kolhapur/Aurangabad/Amravati  
Maharashtra Pollution Control Board,

Sub: Processing of application for grant of consent

It has been observed that Board had issued various circulars regarding consent management. It has been noticed that the consent applications and its related correspondence etc. are not properly scrutinized. Some of the common discrepancies noted are as below:

The information/documents submitted by the respective industries for grant of consent are not properly scrutinized by Sub-Regional Office, JVS analysis reports, pollution control equipments provided by the industry, generation and disposal of hazardous waste and clear cut remarks for grant of consent. Most of the industry do not submit undertaking/C.A. certificate regarding gross capital investment in a proper way and also your office is not taking care about the same. Annual reports are not insisted upon. Some C.A. firms are giving depreciated capital investment.

Hence forth while scrutiny application for grant of consent, you shall ensure that undertaking/C.A. certificate shall be verified that gross capital investment (cost of building, land, plant and machinery) of the unit without depreciation shown by the industry and consent fees paid accordingly, till the date of application.

The Regional Officer shall also instruct their SROs, FOs to take proper care while processing the applications in respect of capital investment and any other related technical information while submission of processed consent application to Head Quarter for grant of consent.

  
(R.G. Pethe)  
Water Pollution Abatement Engineer
